

# SAFETY DATA SHEET

## Section 1: Identification

**Product Name:** Belter Prime CP- Concrete Patch

**Chemical Name/Synonyms:**

**Company Name:** Belter Tech

**Address:** 3020 Commerce Way, Suite D, Atlanta, GA 30354

**Emergency Telephone Number:** 911

**For information about this SDS, use this department contact phone#:** (844) 914-1200

## Section 2: Hazard(s) Identification

**Hazard Classification:**

**Signal Word(s):**

**Hazard Statements:** This material is not hazardous under the criteria of the federal OSHA Hazard Communication Standard (29CFR 1910.1200)

**Pictograms**

**Precautionary Statements:** Do not smoke, eat, or drink when using this product. Wash hands carefully after handling. Do not handle until all safety precautions have been read and understood. Wear protective clothing, gloves, eye, and face protection. Should be used only in well-ventilated areas.

**Response:**

- Wash off with soap and water
- If in eyes, rinse immediately with plenty of water.
- If inhaled, move to fresh air.
- If swallowed seek medical advice immediately.
- Please see physician if any occurring systems.

## Section 3: Composition/ Information on Ingredients

**Substances/mixture:** Water-Borne Polymer emulsion

Chemical/Material Name	CAS#	Weight %
Vinyl Acetate		54.5%
Water	7732-18-5	43.5 %

#### Section 4: First-Aid Measures

After skin contact:

**Causes skin irritation and sensitization by skin contact and may cause allergic reactions to the skin.**

After eye contact:

**Rinse eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids.**

**Remove any contact lenses, if worn. If eye irritation persists, seek medical attention.**

After inhalation:

**Dust may cause respiratory tract irritation.**

After swallowing:

**If dust is ingested, may cause irritation or burns to mouth, throat and stomach.**

#### Section 5: Fire-Fighting Measures

Flammability: **Flammable**

**Suitable extinguishing agents: The product in solution form does not burn. The product will burn only after the water it contains is driven off. For dry polymer, use alcohol resistant foam, carbon dioxide (CO<sub>2</sub>) or dry chemical**

**Special protective equipment for firefighters: Wear self contained breathing apparatus for fire fighting if necessary.**

**Other Information: This product is water-based and presents no particular fire or explosion hazard**

#### Section 6: Accidental Release Measures

**Personal precautions: Contaminated surfaces will be extremely slippery**

**Measures for environmental protection: Do not flush into surface water or sewage system.**

**Measures for cleaning/collecting: Soak up with inert absorbent material. Keep it suitable, closed containers for disposal**

#### Section 7: Handling and Storage

**Handling:** Product may contain hazardous volatile ingredients which could accumulate in the unvented headspace of drums or containers. Open containers in ventilated area. Do not breathe vapor. During longer storage small amounts of carbon monoxide may form. To the best of our knowledge, no OEL (occupational exposure limit) is exceeded during the intended use. Containers/tanks may only be entered after thoroughly executed ventilation while considering national regulations and international standards for inspection of containers/tanks. In any case of doubt a measurement of the CO concentration is necessary.

**Storage:** Keep Tightly Closed in a dry and cool place.

#### Section 8: Exposure Controls/Personal Protection

**General protective and hygienic measures: No exposure limits established**

**Breathing equipment: No exposure limits established**

direction of a trained health and safety professional following requirements found in OSHA's respirator standard (29 CFR 1910.134) and ANSI's standard for respiratory protection (Z88.2)

Protection of hands:

**Use impervious, waterproof, and alkali-resistant gloves. Do not rely on barrier creams in place of impervious gloves.**

Eye protection:

**Safety glasses or goggles are recommended when using this product.**

#### Section 9: Physical and Chemical Properties

Form: **Liquid**

Odor: Sweet

pH: **4.5**

Boiling point/boiling range: **>100°C**

Vapor pressure: **Not applicable**

Vapor density: **Not applicable**

**Specific Gravity = 1.07**

#### Section 10: Stability and Reactivity

Chemical stability: **Stable under recommended storage conditions.**

Conditions to avoid: **Do not Freeze**

Incompatible materials: **Materials that will react to water.**

#### Section 11: Toxicological Information

Potential routes of exposure/potential health effects

Skin: Prolonged or repeated exposure may cause;  
skin irritation

Eye: **May cause eye irritation.**

Ingestion: May cause gastrointestinal

**Section 12: Ecological Information (non-mandatory)**

Ecotoxicological data are not available.

**Section 13: Disposal Considerations (non-mandatory)**

Dispose of spilled material in accordance with state and local regulations for waste that is non-hazardous by Federal definition. Note that this information applies to the material as manufactured; processing, use, or contamination may make this information inappropriate, inaccurate, or incomplete.

Note that this handling and disposal information may also apply to empty containers, liners and reinstates. State or local regulations or restrictions are complex and may differ from federal regulations. This information is intended as an aid to proper handling and disposal; the final responsibility for handling and disposal is with the owner of the waste

**Section 14: Transport Information (non-mandatory)**

**In accordance with DOT regulations: Not regulated for transport.**

**In accordance with IMDG: Not regulated for transport.**

**In accordance with IATA: Not regulated for transport.**

**Section 15: Regulatory Information (non-mandatory)**

**US State Regulations**

Chemicals associated with the product which are subject to the state right-to-know regulations are listed along with the applicable state(s):  
none

**U.S. FEDERAL REGULATIONS**

**TSCA Inventory:**

This product complies with the U.S. Toxic Substances Control Act (TSCA).

**Environmental Regulations:**

**SARA 313 Chemicals**

Contains no substances at or above the reporting threshold under Section 313.

**SARA 311:**

<b>Acute health:</b>	No
<b>Chronic health:</b>	No
<b>Fire:</b>	No
<b>Sudden release of pressure:</b>	No
<b>Reactive:</b>	No

**Section 16: Other Information**

Date of preparation: **January 17th, 2022**

**Disclaimer: We believe the statements, technical information and recommendations contained herein are reliable, but they are given without warranty or guarantee of any kind. The information contained in this document applies to this specific product as supplied. It may not be valid for this product if it is used in combination with any other materials. It is the user's responsibility to satisfy oneself as to the suitability and completeness of this information for the user's own safety and particular use.**
